THE COURSE ... WHAT'S INVOLVED?

The PCA NCAS Preliminary Pony Club Accreditation (Feb 2013 Yellow Cover) is completed and assessed in two parts; a theory component and a practical component.

Theory/Workbook Component

You will be required to complete a workbook which aids in assessing your theoretical coaching knowledge. You will be required to have parts of the workbook signed off by a mentor; a mentor is anyone who has superior knowledge in the area you are learning about.

The workbook comes with another manual called, Syllabus and Coaching Notes, this manual provides information to assist you to complete the workbook.

Once you have completed your workbook and want to be practically assessed you will need to book into a Practical Assessment Day and forward your workbook to the PCAV State Office. The Practical Assessment Days are held around the State and the dates/venues are listed on the PCAV website coaching page or contact the office on 8685 8925 or ncas@ponyclubvic.org.au.

Practical Component

The practical assessment component involves an Assessor observing you whilst coaching to assess how you implement your coaching knowledge. You will be required to coach a group of D - D* level riders demonstrating your coaching abilities in flat, jumping and games.

PRACTICAL ASSESSMENT DAYS

PCAV will advertise set Practical Assessment Days and organise more days if demand is there.

Please note that a minimum of 6 candidates is required to run an Assessment Day.
